

I support media diversity

I am writing to you today to comment on Docket No. 02-277, The Biennial Review of the FCC's broadcast media ownership rules.

I value the opportunity to obtain information on current events from a variety of viewpoints and am concerned that access to a diversity of viewpoints will be significantly compromised by lifting the restrictions currently in place on media ownership.

I believe it is in the public interest to foster diversity of viewpoints in the media.

I urge you expand the opportunities for public input on this vitally important issue.

Sincerely,

Tacie Draznin
